Surface & Cover:

Many of our covers contain up to 40% blended bamboo fibers, which are naturally durable and porous. This provides increased moisture wicking and greater air flow for a cooler night's sleep.

Full zipped removable cover. 100% machine washable for added convenience and hygiene.

Comfort Layers:

1. Air Foam – Non-temperature sensitive Air Foam maintains the same consistency in all temperatures and provides the same support all year around. It also helps with heat build-up and provides a lower surface temperature to keep your mattress cool.

2. Gel Memory Foam – Cool gel is infused into Memory foam to manage temperature and ensure optimum sleeping comfort.

Core System:

3. HD Base Foam – A High Density Foam base is made from premium high density foam that creates the right support to go with the soft layers of comfort.

Flexibility & Endurance:

Package – Compressed package for convenient transportation.
